

OCTOBER NEWSLETTER 2021

MAYOR'S REPORT

Our city party was a success. In the past we have had challenges with the weather, but this year the weather was perfect, and the turnout was fantastic. I thank the local sponsors, Theurer's Meat, Julie's Market and Casper's Ice Cream. This is a fun event for our citizens to just have an enjoyable evening and get together with neighbors and friends. I also give many thanks to Dan & Julie Bergeson and Fizz and Carla Bodily for their efforts in making it happen one more time. As my tenure as Mayor winds down there are several things that have become apparent to me. Local government and government in general

are good at and many things they are not good at. Local governments are good at providing services such as water, sewer, public safety, and services such as libraries. They are also good at following rigid rules and regulations. Governments are not good at solving problems between people, poverty, inequality, or issues that require working outside of the established rules. Government is not and cannot be the entity to solve all problems. Despite statements from prominent politicians nothing is free, everything has a

cost. There are many complex issues and challenges facing us every day and the best way to solve most of them is through average people working together.

The new Mayor and Council will be facing problems we have not really dealt with to date in Lewiston City. The population of Cache Valley has been growing for many years, but the growth has been outside of Lewiston City. Now that growth is knocking on our back door, and it will need to be addressed. There is tension and change in society and Lewiston City is not immune. As these issues are addressed, please

remember each of those serving are just citizens like yourself. They have volunteered to serve to protect the interests of all the citizens of our city. In many ways the actions they can take to address particular issues are controlled and governed by other entities such as the federal or state government.

If you have questions, contact me at 435-770-4267 (if I do not answer please leave a message) or email mayorfield@gmail.com

Friday, Saturday, and Monday: 7:00 pm only |

ADULT READING MARATHON

The Adult Reading Marathon will start on September 7th and go through December 2nd. This time we will do it a little different. We want you to read 20 minutes (at least) a day. Every week that you accomplish this, you will be entered into the monthly drawing, as well as smaller prizes along the way: a total of three smaller prizes / month. Keep reading because you may earn extra entries each week - more reading, more entries. Every week that you read over 7 hours you will receive a second entry into the end of month drawing. We know some weeks it is easier to find time to read than others so, we are going by 2 hours a week, that gives you one free day a week. We want to thank our amazing sponsors, and we will add more as they come in.
