November 2018

## Mayor's Report

November is the month that has been set aside to give thanks for the many blessings we enjoy as citizens of our country. During this past year our country has been challenged by harsh rhetoric and hate by the political extremes and by sorrow caused by selfish and hateful acts committed by a small minority of misguided seeking their few moments of fame. We have also witnessed many acts of caring, sacrifice and kindness as citizens respond to the various tragedies both natural and manmade.

We are fortunate to live in a community that works together for the common good of the citizens. In Lewiston there are many volunteer efforts that combine to make our city successful and a wonderful place to work and raise

families. As time moves forward into the holiday season and the new year, I ask all to keep in mind the blessings that we do have and to remember that our country is a melting pot of many diverse people. There are many different ideas concerning governance and life and one isn't necessarily right and once isn't necessarily wrong, just different. Our country and the Constitution itself were based on compromise. The challenge and goal for each of us is to work within that framework together to improve our society and to make it work of the common good.

I wish each of you joy and success going forward. As a community we are facing some difficult challenges to improve our infrastructure, roads, water and sewer service. The costs of these improvements are huge, but if we don't address

them the systems will fail. It is a pleasure to serve you and I welcome your input. I can be reached at - [mayorfield@gmail.com](mailto:mayorfield@gmail.com) or 435-770-4267.

Mayor Kelly Field

*Please note: Donations are still being accepted for the new Sports Court at the City Park. (Tennis/Pickleball/Basketball) Donations are accepted at either the city office or Lewiston State Bank. Any amount is welcome.*

---

## Winter Parking

Winter Parking Restrictions are coming up effective November 15. Please keep all vehicles off the street from 11 pm—7 am. Parking regulations were enacted to keep the streets clear should we have snow and need to clear the roadways. These parking restrictions are in effect through March 15 whether or not there is snow.

Thank you for helping us keep Lewiston City's roads drivable and safe.
